Note: EAL does NOT involve horse riding, but rather working with the horse in an arena

GROUP EQUINE-ASSISTED LEADERSHIP RETREAT*

Up to 20 participants in Orange County, California Request pricing
In collaboration with the J. F. Shea Therapeutic Riding Center

Note: EAL does NOT involve horse riding, but rather working with the horse in an arena

***Equine-Assisted Leadership** is the integration of horses and human leadership building. There is no riding of the horse. Instead, you work on the ground with the horse as it reflects and refines your unique leadership style. Expand your self-awareness, non-verbal communication skills, authenticity, and intuition as a leader. Ideal for executives, managers, and business owners ready to accelerate growth in a non-traditional setting.
